Dear Scott,

I want to thank you for your part in making the 52<sup>nd</sup> Annual Meeting of Connects Federal Credit Union a great success. As you know, you were recommended to me by Melody Marrin, our Operations VP, so I knew I could expect a decent performance. However, your show was outstanding and amazing. While your magic was indeed magical, your involvement of the audience and your use of humor made your show a total entertainment experience. It was very rewarding to see the audience participate, laugh and drop their jaws as you performed.

On another note, I also thank you for your professionalism. After speaking with you on the phone, reviewing your website and receiving correspondence in the mail, it was obvious I was dealing with a serious professional. I greatly appreciate the way everything was handled and I will gladly tell anybody so!

Sincerely,
